

## Inspired Gastro-envy for Chronicles of The Weight Breakers

In this chick-lit novel, *Chronicles of the Weight Breakers*, you are introduced to Judge Regina “Regi” Regina Hinson who is weighted down by the woes of survivor's remorse, along with being a powerhouse powerful career woman who has it all. Fawn Paige has been delivered with multiple shocks to her soul along with being a single mother resulting in a lot of collateral damage from a wrecked love life.

Christina “Chaka” Bu’s aspiration for her creative craft conflicts with being the air of a family legacy. Anjali Nadkarni succumbs to denouncing her culture along with the love of her life to fit in. Furthermore, Penelope King and her talent are overlooked due to her not looking like a Barbie doll.

Dr. Sparrow Mack penetrates this epic tale as she transparently gives nuggets of her personal woes. While Abigail Lancaster illustrates her classic cold exterior. Despite all of the initial weight taking behaviors of the women, this pristine circle of new sisterhood forges a bond through a terrifying event, leading to shocking twists leading up to an unexpected cliffhanger. During their meetups, they partake in delicious food which includes: gourmet food at fine dining

experiences; a spread of culture delicious food ranging from soul food; authentic Indian food; Italian food; Peruvian Food, breakfast spreads and fine Champagne. Get your She Declare Crew together to celebrate the Weight Breaking trajectory over your life, dress up, set the table with our fine China or go out to let the fireworks lose—because you have sacrificed, have heroism, and excellence—and now are Weigh Breakers.(Chronicles of The Weight Breakers: All Chapters)

# Your AUTHOR T.T. MCGIL

*Chronicles of The Weight Breakers*

T.T. McGil is a physician, administrative clinician, wife, and mother of one based in the Midwest. Since early childhood, along with the goal of helping people, she dreamed of writing stories that would resonate with the readers, allowing them the opportunity to step inside the book—stories that would cause the readers to sit on the edges of their seats with eager anticipation. She finally decided to take a leap—orchestrating notes that she had about complex storylines, debuting her first novel, *Sparrow: The Water's Edge*. She is also the author of *Sparrow: The Night Ends* and *Chronicles of the Weight Breakers*.
